WESLEY COLLEGE

Licensee of Station WCSP(AM),
 Crystal Springs, Mississippi

Order to Show Cause Why the
 License for Station WCSP(AM),
 Crystal Springs, Mississippi,
 Should Not Be Revoked

To: Administrative Law Judge
 Joseph P. Gonzalez

MASS MEDIA BUREAU'S REQUEST FOR
TERMINATION OF PROCEEDING

1. By Order to Show Cause and Hearing Designation Order, DA 93-1522 (released December 29, 1993) ("Show Cause Order"), the Commission directed Wesley College, licensee of Station WCSP(AM), Crystal Springs, Mississippi, to show cause why the license for Station WCSP(AM) should not be revoked. For the reasons that follow, the Mass Media Bureau requests the Presiding Judge to issue an order terminating this proceeding and certifying the case to the Commission.

2. During the course of an informal, post-designation telephone conversation with Dr. Samuel K. Bruce, President of Wesley College, Bureau counsel was informed that Wesley College had, by letter dated July 23, 1993, returned the WCSP(AM) license to the Commission and requested its cancellation. Although the College's request predated the adoption of the Show Cause Order and was timely received by the Commission, it was

apparently inadvertently misfiled. A copy of the correspondence, as recently provided by Dr. Bruce, is appended hereto.

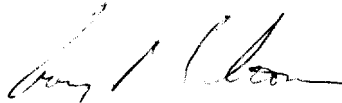

3. Based on the foregoing, it is abundantly clear that Wesley College has no further interest in the WCSP(AM) authorization. Had the College's July 23, 1993, request for cancellation of the WCSP(AM) license been properly handled, it would have been unnecessary for the Commission to commence this revocation proceeding. Under the circumstances, the Bureau submits that Wesley College has voluntarily waived its right to a hearing and that nothing would be served by further prosecution of this case.

4. Accordingly, pursuant to Section 1.92(c) of the Commission's Rules, the Bureau requests the Presiding Judge to issue an order terminating this proceeding and certifying the case to the Commission for prompt disposition.

Respectfully submitted,
Roy J. Stewart

Dear Mr. Burtle,

I would like to thank you and your staff for the help and patience you have given me and Wesley College in our effort to relocate and return to the air WCSP of Crystal Springs, Mississippi. From our engineering reports we find that there would be excessive interference between WCSP and WRAG of Carrollton, Alabama for us to move the station to Florence, Mississippi. Therefore I am sending you the license and requesting that they be cancelled and the call sign deleted.

Sincerely,

Jimmy Stinson
